Carlos Lagoa

www.carloslagoa.com

Experience in competitive motorsport engineering and aeronautics, recently graduated from Loughborough University.
🇪🇸 🇬🇧

Currently

ATPL (A) EASA
Aerofan ATO, Madrid
PPL, CPL, Instrumental & Multi Engine Rating, Multi Crew Cooperation Certificate, UPRT, ICAO English 6

BUSINESS DEVELOPER
Marple, Belgium
Marple develops cloud based telemetry visualization and analysis software for agile engineering teams.

As a part time freelancer, I mostly work with clients in Spain, Portugal and UK - in acquisition as well as helping them through their use cases with the platform and curating their particular needs.

Internally, I also help with the development aspect of the platform, mostly on the Debugging front.

University (2017-2020)

COMPUTER SCIENCE, BSc
Loughborough University, UK
Grade 2.1 / Magna Cum Laude
Object Oriented Programming, Web Development, Mobile Application Development, Software Engineering, Marketing, Quantitative Business Methods, Accounting & more

HEAD OF DATA
Loughborough University Motorsport, UK
Working in the challenging Formula Student International competition to provide Loughborough's team with the best in cost-effective in-house telemetry systems.

This taught me the importance of on-the-job hands-on experience that university can rarely provide - and I got to do it in a friendly yet challenging environment.

I have learned extensively about time-management and team-work too, by also working with the Team Leader in Sponsorships/Partnerships acquisitions and relations

TRAINING OFFICER
Loughborough Nightline, UK
After volunteering as a listener for a year I was chosen to train new volunteers that each year apply to be part of Nightline, a student to student listening service.

Being part of this great community has taught me the importance of being open and honest with yourself and others regarding your mental state - and that "it's okay to not be okay"

EVENT ORGANIZER
HackLboro 1.0, Loughborough Uni, UK
Creating Loughborough's first Hackathon was a great challenge, and was sadly canceled weeks before due to the COVID-19 lockdown. However, parts of the event ran virtually.

LOUGHBOROUGH GOLD BADGE
Loughborough University, UK
Awarded directly by the university's vice-chancellor for the continued efforts in extracurricular activities.

GOLD VOLUNTEER AWARD
Loughborough Students Union, UK
For having completed 240h+ of volunteering in activities representing the Students Union.

TEAM PROJECTS AWARD
Accenture
Our team won a university competition sponsored by Accenture, where I was the Team Leader.

Before university

PRINCIPAL'S AWARD
Wymondham College, UK

COMPUTER SCIENCE SUBJECT LEADER
Wymondham College, UK

SWIMMING SCHOLARSHIP
Swimming Club La Salle, Spain
